WELCOME TO VISHWA BHARATI HIGHER SECONDARY SCHOOL

Dear Parents

We cordially welcome you to keep your wards with us in Vishwa Bharati for their overall growth and development. Our esteemed school since its inception has been progressing by leaps and bounds. It has been providing quality education for the last 28 years in Jammu. Our aim is to give parents a real sense of school. You are always welcome to visit us: to see our excellent facilities and get a feel of our warm family learning environment.

We never wink to ensure that all of our children are cherished and accepted in a school family that encourages and celebrates diversities. We work in partnership with parents and the wider community to offer many opportunities for the whole development of the child. School offers a blend of the traditional and the contemporary : a safe, secure and well- resourced ambiance which fosters respect for self, other children and adults, animals and environment. In a creative and joyous learning atmosphere children are able to experience enjoyment of the school and celebrate the attainment of their full and highest capability. Our school works hard to preserve its cultural roots, teaching children to know their own heritage.

We warmly welcome children of families from all backgrounds whose parents will support the education of their children in a school with clear values, high staffing ratios, a family - centred approach, modern facilities and high standards.

OUR ENDEAVOUR

Through sincere efforts, dedication and hard work put in by members of our management, teachers, parents and students, Vishwa Bharati Schools have become model institutions in the UT of J&K, U.P. and Delhi.

It shall continue to be our constant endeavour to serve still better and live up to the words of Sir Percy Nunn, "A Nation's Schools are the organs of its life whose special function is to consolidate its spiritual strength, to maintain its historical continuity, to serve its past achievements, to guarantee its future".

OUR SCHOOL A HISTORICAL BACKGROUND

Vishwa Bharati since its inception has been contributing massively in the promotion of quality education both at state as well as national level. The school has left no stone unturned in achieving various landmarks in scholastic as well as non - scholistic field.

The school is providing education according to CBSE curriculum at affordable fee structure for all strata of the society. Our Alumni are serving the nation in various capacities viz Engineers, Civil service officers, Businessman, doctors, teachers and Entrepreneurship etc.

The school is constantly progressing in providing curricular and co- curricular facilities for the holistic development of students' personalities.

In this modern educational scenario Vishwa Bharati is one of the leading schools in UT of Jammu and Kashmir and also in other states. Vishwa Bharati aims at imparting quality education, both general as well as technical, to all irrespective of caste, creed and colour by laying emphasis on character building and preserving democratic and secular values of Indian culture. Our emphasis is on –

- Providing quality education to bring academic excellence.
- Developing creative potential of children through different forms of art.
- Providing training in leadership and development of team spirit.
- Creating social and environmental sensitivity.
- Fostering patriotism and international understanding
- We at Vishwa Bharati school believe in blending the international perspectives in Indian culture to produce true Indians with a global vision.

The school has been making a tremendous progress in inculcating moral values among its students to become productive citizens of the country. For future we are planning to initiate some more programmes for all around development of our students.

OUR MOTTO

“TRUTH, BEAUTY AND GOODNESS”

Our motto emphasizes character building, tolerance, compassion, service, love and sacrifice. Love of mankind and universal brotherhood are the cherished values of VISHWA BHARATI SCHOOL.

“OUR AIMS & OBJECTIVES”

Our school aims at preparing the future generations to face the challenges of a dynamic world order. Great emphasis is laid on character building imbibing democratic and secular values of Indian Culture.

1. To impart quality education of a high standard to all, irrespective of caste, creed or colour.
2. To foster international understanding and brotherhood through a broad based progressive educational programme
3. To sensitize children to the need of maintaining environmental purity and ecological harmony.
4. To provide sound training in leadership, co-operation, team spirit and to cultivate humanistic and scientific temper.
5. To inspire students to be original and help them nurture their creative potential.

OUR VISION

- Our vision is to develop well-rounded, confident and responsible individuals who aspire to achieve their full potential which will be provided by a welcoming, hilarious, safe and conducive learning environment.
- We teach to empower students to acquire, demonstrate, articulate and value knowledge and skills that will support them, as life long learners, to participate in and contribute to the world.

CURRICULUM

PLAY SCHOOL (AGE 2 years & 6 months) : The aim is to provide a social environment in which a child learns to make friends, play, sing and dance, explore, fantasize together and thereby learn social etiquettes, environmental sensitivity, caring and sharing, develops emotional stability, learns to express his needs so as to wean him away from total dependency.

Stage 1: Pre Primary (Age group 3 years six months - 5 years 6 months) : Montessori method is followed. The curriculum and activities are designed to cater to mental, physical, social and emotional development of a child. Special emphasis is laid on development of physical, sensory motor training, muscular coordination, cognitive skills, social and environmental sensitivity, moral values, health, hygiene and aesthetics through a range of play-way activities which include games, art and craft, singing, dancing, role play and fantasizing. In addition to the above, children are also introduced to the world of books and computer education.

Stage 2: Primary (Classes 1-5) Age group 6-10 : Focus is on building core basic skills and competencies in languages (English & Hindi), Arithmetic and Environmental sciences (social and general science), Third language. Introductory Sanskrit is introduced at class 5 level. Co-Curricular activities are given equal importance. Compulsory Art, Craft, Music, Dance, Physical Education, Games, Yoga and Library and Computer Education are part of the regular time-table.

Stage 3 : Middle (Classes 6-8) Age group 11-14 : The focus is on developing core competencies and skills-academic, social and communicative, ability to differentiate between fact and fiction, learning by doing and thus enable learners to think creatively and critically. Co-scholastic activities include SUPW, Art -Education, Physical Education, Computer Science and Library Classes.

Stage 4 : Secondary (Classes 9-10) Age group 14-15 : The courses lead to preparation of the first Board Examination i.e. All India Secondary School Examination conducted by CBSE. This is also a preparatory stage for the Senior Secondary or Junior College.

Stress is on consolidation of concepts and skills acquired at the middle level and introduction to enhance analytical skills, application and problem solving skills through complex operations and higher order learning skills.

Stage 5 : Senior Secondary (Classes 11-12) (Age group 16-18) : This is a two year course with focus on Foundation courses which are preparatory to University courses-academic or professional.
